QUALITY. TRUST. AT HOME.

**LMC**

# COMFORTABLE, SAFE AND STYLISH WAY TO TRAVEL: **THE FORD-BASED INNOVAN**

The new Innovan is  
#safe, #modern, #homely

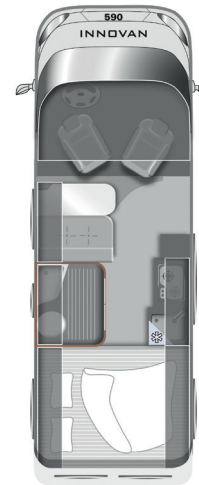

Ford's renowned advanced driver assistance systems (driver fatigue alarm, lane departure warning system, adaptive cruise control, heated windscreen thanks to integrated heating wires etc.) ensure that you feel extremely safe on the road. Systems such as AppleCarPlay as well as Android Auto can be connected to your smartphone; have the latest news conveniently read to you, or play your favourite playlists on your next trip.

The new interior design creates a modern and cosy home on the road with super features that make perfect your holiday.

The generous interior headroom of over two metres makes it feel particularly spacious.

Get in, fall in love, take off.
